No, no, no!
This scent

*Are you
not
satisfied
with
me?*

*Listen
to me!*

*My scent
is no
cheat, you
see?*

I'll go ahead and make sure.

Oh no... How gallant, yet the scent of female on you is fast!

That way you can be sure that I'm not lying if I just told you!

I wouldn't shed on you! Please use your mind (reading the read my thoughts!)
